Inspiring inclusion at Canada’s universities

Universities celebrate the achievements of women throughout the entire educational ecosystem—from leaders to learners. Learn how universities inspire inclusion this International Women’s Day.

WOMEN LEADERS IN UNIVERSITIES CANADA

31% of university executive heads at Universities Canada are women.

Did you know?
In 2016, only 16% university executive heads (at Universities Canada) were women.

WOMEN LEADERS IN EDUCATION

57.7% of all students in Canada are women, while 42.3% are men.

Women with doctoral degrees and equivalent increases yearly.

WOMEN LEADERS IN OTHER INDUSTRIES

105 of 538 Members of Parliament were women in 2021.

In 2020, 1 in 4 board executive members in other industries were women.
